The all-weather outdoor stanchion built for strength and endurance.

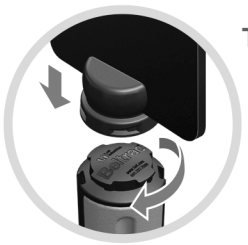
The Beltrac® Tempest Stanchion

Solar Safety Beacon
Attaches to top of Tempest Post with a simple twist. Flashing beacon is perfect for safety warnings or as a guide path. Built-in sensor triggers light to flash at 100 LUX, saving battery life during daylight.

Belt Imprinting
Standard or custom graphics visibly display your message to the public. Available with 2 standard safety messages or 15 high-visibility belt colors. Custom messages upon request.

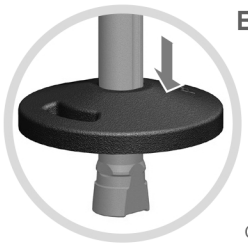
Superior Strength Post
Weatherproof HDPE (High Density PolyEthylene) plastic post is lightweight, yet its superior strength and durability withstands even the harshest environments.
Available in 3 colors.

Twist-on Signage
Quickly add standard or custom signage to any Tempest post with a simple twist and click.
Available in 3 sizes.



Integrated Post Handle
Easily pick up the post with the ergonomically placed handle, which provides the correct leverage to handle and move the post short distances.

Slide and Snap Base Connection
A strong and rigid post-to-base connection keeps the post straight and upright in even the most demanding conditions. Easily disassembles for storage.



Eco-friendly Recycled Rubber Base
Non-toxic, recycled rubber means there are no waste by-products, no dangerous chemicals, and no hazardous emissions from the production of the base. And it looks pretty good, too.

The Tempest Family of Products

The Tempest Post

The all-weather outdoor stanchion built for strength and endurance.
